## **Package Room and Package Pickup**

**August 16, 2005**

Attention All Residents,

As many have been aware, for the past three months, the Board has been in negotiations with the owner of Apartment ME to purchase a portion of that apartment to use as a package room. Unfortunately, the parties were unable to reach an agreement and the Board has decided that it is in the best interests of the building not to continue to pursue this potential arrangement.

Starting Tuesday, August 16, therefore, we are relocating the package area to designated lockers situated in the new ground floor storage area, and to an additional locking storage cabinet that is being constructed outside the laundry room.

For the time being, package pickup will be limited to 5pm to 9pm when we will have additional manpower on hand to help out with the frequent trips to the new, more distantly-located package area

Beginning Tuesday, August 16, our regular staff will help with coverage until we have hired permanent staff to put the new procedures in place.

We will update you with further notices as things develop.

Sincerely,  
The Coop Board of 790 RSD
