PRIVACY NOTICE

Email List

When you register for email distribution of documents, your email address(es) will not be shared with *anyone*, and will only be used for the following purposes:

1. To let you know your email registration is complete, and;
2. To distribute Board newsletters, surveys, and other official Riviera documents to you via email.

The information you send is kept on secure computers and back-up drives, which are behind both hardware and software firewalls. Should there ever be a breach of this security, I will let everyone know at once.

Surveys

From time to time, the Riviera Board sends surveys to shareholders (or all residents) to solicit your views on issues facing us. People who have registered for email distribution will receive the surveys via email, and can answer the surveys online. People who have not registered for email distribution will receive the surveys on hardcopy, and will be asked to drop them off with the doormen.

Email responses are *almost* anonymous: SurveyMonkey.com, the service we currently use, does attach your IP address to your responses, but we do not have your email address attached to your response. (It is *conceivable* that a determined person could identify you from your IP address, but we on the Board have no interest in doing so.)

Hardcopy respondents have their apartment numbers printed on the front page of the survey, so we know who to deliver it to. Please feel free to clip off that corner if you want to make sure your response will be anonymous.

Unless we say otherwise on a particular survey, we on the Board have no interest in tracking specific responses back to specific people or apartments.
